FRONT SLEEVE

The diagram shows a large, rounded rectangular shape representing the side of a flag. It features four distinct boundaries: an outermost magenta line for the bleed size, a green line for the finish size, a red dashed line for the safe zone, and a blue dashed line for the pole sleeve sewing. The top and bottom edges are curved, while the left and right edges are straight. The text 'FRONT SLEEVE' is written vertically on both the right and left sides of the flag.
